

Barclays Internal Audit Internship Opportunity

Description

Barclays moves, lends, invests and protects money for customers and clients worldwide. With over 300 years of history and expertise in banking, we operate in over 50 countries and employ over 140,000 people.

We provide large corporate, government and institutional clients with a full spectrum of solutions to their strategic advisory, financing and risk management needs. Our clients also benefit from access to the breadth of expertise across Barclays. We're one of the largest financial services providers in the world, and are also engaged in retail banking, credit cards, corporate banking, and wealth and investment management.

The vision for Barclays Internal Audit (BIA) is: To assist Barclays in becoming the Go To Bank, by facilitating the improvement of the Governance and Control Environment. We do this by providing independent, reliable, valued, insightful and timely assurance to the Board and Executive Management over the effectiveness of governance, risk management and control over current and evolving risks, in the context of the current and expected business environment. Additionally, we:

- Attract and retain the most talented and diverse internal audit team.
- Target excellence in our performance and continuously review our innovative yet simple audit processes to maximize BIA efficiencies.
- Using our integrity and judgment, we audit the right things in the right way at the right time.
- Partner with clients to maximize the effectiveness of the Governance and Control Environment.

BIA offers a summer internship program that will give you an unparalleled insight into everything that's changing here. Through training, presentations and hands-on involvement, you'll get to understand our work. And, more importantly, you'll get a feel for where your future with us could lie. There's nothing more valuable to you than working on real projects, carrying out a real role and integrating fully into a team.

Program

Beginning in July, BIA's Summer Internship is a paid, 6-8 week program that consists of the following:

- A structured introduction to Barclays
- Participation in an audit, from planning to reporting
- Other professional experiences, including interaction with senior management
- Professional development training
- Networking opportunities
- A dedicated support network, including formal peer-mentoring

Qualifications

BIA is looking for the following in our candidates:

- Junior class
- A strict 3.0 GPA or above
- Preferably a student majoring in Economics, Finance or Accounting
- Strong proficiency in Microsoft Office, Excel and PowerPoint
- Excellent verbal and written communication skills
- Ability to adapt behavior and approach to different people and situations, including working well independently and with teams
- Positive work ethic & attitude
