# WHAT IS

## The Future Leaders Program?

**The Future Leaders Program is a two day program focusing on the basic principles of a full service assurance, tax, and advisory firm.**

It encompasses two full days of workshops and classes where students will learn accounting and business skills, as well as get an exclusive look inside all Citrin Cooperman has to offer.

The program provides students with a general understanding of the skills needed to succeed in the world of accounting.

Students will get to meet with first year employees to learn about the transition from college into public accounting.

Students will also have the opportunity to interview for future internship opportunities.

## YOUR CAREER

**After just 2 days of learning with Citrin Cooperman, you will have a basic understanding of what you can do to jump-start a career in accounting.**
