

# Tutoring Job

**\$35/Hour**

## Better Edge Tutoring

is looking for outstanding undergraduates willing to tutor 8th-grade level Math and English. We are teaching classes for 6th, 7th, and 8th grade students taking the TACHS Exam (an entrance exam for Catholic high schools). Both classes have a 3:1 student-to-tutor ratio, and there will be other tutors and administrators present to support you.

You are not expected to be an expert in English or Math already. Training will be provided. We are looking for students who are interested in teaching, have clear communication skills, and are willing to give these middle-school students their best effort.

This is an independent contractor position that pays \$35/hour for tutoring and \$15/hour for training.

**When:** Tuesdays and Thursdays, July 5th to July 28th

**Where:** 114 Kosciuszko St., Brooklyn, NY  
(Bedford-Nostrand stop on the G Train)

**Time:** 9:30 - 11:30 a.m.

**Apply:** Submit your resume to the email address below. Please include a brief description of any prior teaching or tutoring experience. We will be making decisions this week.
