## *More CITA Events – Save the Date!*

### **March 3, 9:30 AM-12:30 PM (Virtual Event)**

#### ***CUNY Mindset Summit***

This online event will kick off with a plenary panel discussion featuring nationally renowned experts in the field of learning mindsets and equity, followed by workshops facilitated by colleagues from across our campuses who have been serving as CUNY's mindset leaders. The event is for all CUNY colleagues including faculty, staff, and administrators – those who are new to the area, and those who are familiar with the concept of learning mindsets.

### **March 14, 1:59 PM (3.14159) (Virtual Event)**

#### ***Sharing a Slice of Pi: Pi Day Celebration***

Mathematics and pastry chef faculty will join efforts in this interdisciplinary presentation to celebrate Pi Day. The presenters will share fun facts about pi and pie with the goals of generating interest and motivating learning. The participants will have the opportunity to try a hands-on activity and to share their favorite pi/pie activity or story. All are welcome!
