September 20  
4: 00 – 6:00

ELEBASH RECITAL HALL

# BEFORE GLOBALIZATION?

This event brings together prominent scholars of colonialism, race, and religion to discuss whether or not it is possible to speak of globalization in the pre-modern era. We anticipate a lively debate that will cross period boundaries and that will address how the expansion of travel, trade, imperialist, and cultural exchange from 1600 – 1800 contributed to the process of globalization.

Reception to follow event – English Program Lounge (4406)
