SPRING & SUMMER 2022

Preregistration for Spring and Summer 2022 English MA courses will take place **Monday, October 25 through Friday, October 29, 2021**. Matriculated MA, MAT, MS Ed, and Accelerated students in good academic standing (i.e., minimum average 3.0 GPA and no outstanding INCs) are eligible for and strongly encouraged to take advantage of this opportunity to sign up early for classes.

Below are preregistration instructions and FAQs, including a breakdown of program requirements for MA, MAT, and MS Ed students. Spring and Summer 2022 course offerings and descriptions are attached separately. Please note that the majority of our graduate English courses in Spring 2022 will be meeting in-person, with a few fully online courses (ENGL 702, 736, 781-01, 781-02). All four Summer 2022 graduate English courses will be offered fully online.

If you have any questions or need advising, please email the current Directors of Graduate Studies in English—Dr. Caroline K. Hong (caroline.hong@qc.cuny.edu) and Dr. Hillary Miller (hillary.miller@qc.cuny.edu).

Preregistration FAQs

Who is eligible to preregister for classes?

All matriculated MA, MAT, and MS Ed students, as well as Accelerated BA/MA students, who have an active CUNYfirst account and are in good academic standing are eligible to preregister for courses. If your GPA has fallen below 3.0 or if you're carrying incompletes on your record from a previous semester, you should seek advising with one of the Directors of Graduate Studies, Dr. Caroline K. Hong or Dr. Hillary Miller, before trying to preregister.

If you have any holds on your CUNYfirst account for any reason, however unwarranted, CUNYfirst will not allow you to be preregistered for classes. Please check your account before the start of the preregistration period and make sure that any holds have been resolved.

Non-matriculated/non-degree students are not eligible to preregister and must wait to register themselves during their registration appointment period on CUNYfirst.

Can I take a course with the same number twice for credit?

Courses titled "Studies in..." may be repeated for credit as long as the specific course topics and course materials are substantially different (see course titles at <http://english.qc.cuny.edu/graduate-programs/>). For example, ENGL 722, 724, 726, and 729 may all be repeated for credit.

ENGL 681 (Special Studies) and 781 (Special Seminars) may also be repeated for credit, as long as the specific course topics and course materials are substantially different.

ENGL 636, 638, 701, 702, and 703 cannot be repeated for credit.

For MAT and MS Ed students, what courses fulfill the pre-1900 requirement?

To fulfill the pre-1900 requirement, MAT and MS Ed students can take ENGL 719 or 720 in Spring 2022 or ENGL 719 or 721 in Summer 2022.

Can I preregister for ENGL 791, the thesis course, or ENGL 795, the independent study course?

English 791 and English 795 require additional advising and paperwork, so these are not courses for which you can preregister. The Directors of Graduate Studies will announce more information about how to sign up for these courses after the preregistration period has ended.
