

Registration for English MA Courses

Spring 2026

Registration for Spring 2026 begins on October 20, 2025, for currently matriculated MA, MAT, and MSEd students in good academic standing (i.e., a minimum 3.0 GPA and no outstanding INCs). The registrar has eliminated the pre-registration period, which means that you will be able to enroll yourself in the courses that you want on October 20. We are still available to advise you on your classes and urge you to reach out if you would like to discuss your progress toward the degree.

Accelerated students who will still be undergraduates in Spring 2026 and are in good academic standing are also eligible to preregister for English MA courses. To register for graduate classes in the Spring 2026, accelerated students should schedule an appointment with one of the directors of graduate studies. The appointment can be in-person or over Zoom.

Please carefully read the following preregistration instructions and FAQs, including a breakdown of program requirements for MA, MAT, MS Ed, and Accelerated students. Spring 2026 course descriptions are attached separately. Note: the majority of our graduate English courses in Spring 2026 will be meeting in person, with a few fully online courses (ENGL 732, 733, and 781-02).

Please note that we are not offering 636 (Literary Theory for Graduate Study) this semester. If you need to fulfill this requirement, you can take 736 (Studies in Criticism) as a substitute. 736 this term is themed "The Novel and The Archive." If you already took 636, you could still take 736 as an elective.

If you have any questions or need advising, please email the current Directors of Graduate Studies in English—Bill Orchard (william.orchard@qc.cuny.edu) and Cliff Mak (Clifford.Mak@qc.cuny.edu).

What if the class that I want is full when I register?

You can request to be placed on a wait list. Wait listed students will be able to register for the class when a space becomes available. In past semesters, we have been able to accommodate almost all students who are on wait lists. To be placed on a wait list, contact Bill or Cliff (**not** the instructor and don't use the waitlist function on CUNYfirst).

For MAT and MS Ed students, what courses fulfill the pre-1900 requirement?

In Spring 2026, English 720, 781-01, and 781-02 satisfy the pre-1900 requirement.

Can I register for ENGL 791, the thesis course?

English 791 requires additional advising and paperwork, so this is not course for which you can register for right now. The Directors of Graduate Studies will hold an information session on how to enroll in the thesis class in November.

Can I register for summer courses?

Registration for summer classes is not open yet. We'll send more information about this before registration opens next year. We know that we will be offering four courses: **Medieval Lit** and **Addiction on the American Stage** in the four-week session, and **Comics and Graphic Narrative** and **American Poetry** in the seven-week session.
