

# Feed Your Passion

## Pursue Your Masters in Nutrition at NC State University

**Be competitive for professional school or a dietetic internship by:**

- Demonstrating your abilities at the graduate level
- Boosting your GPA in a supportive environment
- Expanding your volunteer and work experiences

**Our program offers options, including:**

- Human Nutrition or Feed Science curricula
- Practicum Experience or Research Thesis focus
- Standard Curriculum or Professional Science Masters
- Face-to-Face and Distance Education options

**To be considered for admission, you should:**

- Have a four-year degree
- Successfully complete biology and organic chemistry
- Have three letters of recommendation, including at least one academic reference
- Have a TOEFL score of 80 or higher and/or IELTS of 6.5 or higher (international students)
