- UF Graduate School applications are due **January 15, 2021**. A total of eight students may be accepted during the DICAS spring match.
- Our non-thesis, two year program includes a 7 month internship and culminates in a Master of Science degree with eligibility to take the Registration Exam for Dietitians.
- Our concentration in Nutrition Education and Wellness promotes the development of effective nutrition education and communication skills aimed at fostering patient and client self-efficacy, empowering them to make positive health behavior changes.
- Curriculum includes in-depth, practical experiences in medical nutrition therapy, clinical nutrition research, and leadership.
