Borra College of Health Sciences

JOIN US FOR DOMINICAN UNIVERSITY'S **VIRTUAL OPEN HOUSE** for Coordinated and ISPP Programs

Please join us to learn more about the diverse opportunities available at Dominican University leading to successful completion of required supervised practice experience and earn a graduate degree if desired.

At DU students can choose from three ACEND-accredited program options, including: Graduate Coordinated MBA/RD Program, MS in Nutrition with Supervised Practice, and Individualized Supervised Practice Pathway (ISPP).

Here's what sets our programs apart:

- ⊕ Community nutrition or business emphasis options
- ⊕ Rotation site placements based on "wishlist" selections and individual needs
- ⊕ Dedication of all programs to support and increase diversity in the profession of nutrition and dietetics practice
