

PEDIATRIC NUTRITION CONCENTRATION

The Pediatric Nutrition concentration is for anyone interested in pursuing the pediatric side of the nutrition industry or wanting to work with new parents, infants, children, and schools. Throughout the 15 month program, you'll complete culinary-specific and clinical site rotations alongside dietetic graduate courses to earn your MS in Nutrition and Dietetics with a Pediatric Nutrition emphasis and be eligible to sit for the Registered Dietitian exam.

SITES

Pediatric-specific sites may include pediatric hospitals, pediatric rehabilitation sites, outpatient pediatric services, Head Start services, WIC offices, and more.

CLASSES

Concentration-specific classes include:

- Nutrition Education and Counseling
- Clinical Systems Management
- Pediatric Nutrition
- Sustainable Food Systems
- Community Nutrition

CAREERS

Our Pediatric Nutrition graduates have careers including private practice owners, school nutrition managers, and dietitians at pediatric hospitals, NICUs, rehabilitation centers, eating disorder treatment centers, and WIC offices.
