

SIBS Club

A Program for Families of Children with Autism

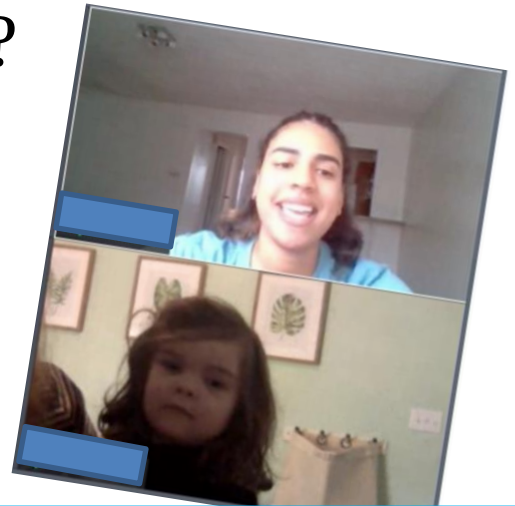

Interested in Autism? Intervention?

Join Psych 372 and SIBS Club
in Spring 2021 for a unique
hands-on experience
teaching children with
autism

- In **Psych 372** Practicum: Intervention for children with autism and their families you will
 - ✓ Learn how to implement behavior analytic intervention for children with autism and their siblings.
 - ✓ Gain hands on experience with children with autism.
- Sunday mornings
