## Want to test out the intern experience?

Attend the first lecture of one of our Monday class days or our Joint Class Day (Nov. 16th). Email [meganlautz@gmail.com](mailto:meganlautz@gmail.com) to get on the list!

## PROGRAM SUMMARY

**44 weeks**

**\$8,300 tuition**

*\*plus personal expenses*

**12 intern spots**

Emphasis in technology and nutrition informatics to allow interns to become more efficient in practice, extend our reach to new clients/groups, and enhance our digital proficiency. Includes 8-10 supervised practice rotations that enhance clinical and community training.

**RSVP to Phyllis McShane (for zoom links) [pmcshane@umd.edu](mailto:pmcshane@umd.edu)**
