Nutrition and Dietetics

LIAND Presents

**Teresa Turner
MS, RD, LDN, SNS,
FAND**

Teresa Turner is a School Nutrition Specialist and alumna of the historical Tuskegee University. As an Army Child & Youth Services Nutritionist, she manages the food service operations of six child and youth programs and serves as the Child & Adult Care Food Program Administrator. Teresa focuses upon child nutrition, nutrition education, and social justice, especially regarding food system inequity.

*Believing
Children are Our Future:
Serving Equity & Impartiality
with Child Meals*

- **Define** Social Determinants of Health & systemic racism and explore their impact on equity and on the behaviors and mindsets of those we serve

- **Examine** how implicit bias, racial colorblindness, microaggressions, and the concept of “polite discrimination” influence our interactions

- **Summarize** methods to provide optimal service and care throughout child nutrition environments
