- i. Greek Week - I have not received any suggestions for events or charities so they will be decided by the activities chair. The week long challenge will be penny wars. As for the other events we will be having one night of sorority and fraternity bonding. As for the events that are happening during free hour Maritza and Sam along with the special committee will be discussing the status of the boulders.
- ii. Activities Committee - The events are going to be planned by the activities committee this Wednesday. If interested in attending let me know.
- iii. Social Media - The social media needs to be updated with new photos, so please send the IGC some photos. I am asking each org to send in one photo at least once a week. It does not have to be events, it can be sisters/brothers hanging out or eating dinner. It is good to promote greek life for the better. Send them to either through Group Me or to the instagram.
