# SOMOS Conference Model NYS Senate Session Project

## FACT SHEET

The Model Senate Session, now in its 20th year, is designed to provide SOMOS student participants from CUNY with a unique opportunity to develop leadership skills in a legislative/policy-making setting, emphasizing critical thinking and communication.

Students participate in an intensive training program that consists of evening/weekend sessions with faculty mentors. They learn about New York State government, representation and the legislative process. The program culminates with a trip to the State Capitol in Albany, where students debate public policy in the Senate Chamber. An added feature of the Model Senate Project is the opportunity to compete for scholarships awarded by the NYS Assembly and Senate Puerto Rican/Hispanic Task Force, as well as summer internships with members of the state legislature.
