

# PEDAGOGY POP-UPS

## Invitation to Share Your Work

In Spring 2025, CETLL launched Pedagogy Pop-Ups - an informal peer-based space for QC faculty to share innovative strategies, pressing questions, and helpful resources related to teaching and learning matters.

We invite QC faculty members to bring their ideas to the table for presentation and discussion.

If you are interested in presenting at or facilitating a future pedagogy pop-up, please fill out this short form: [forms.office.com/r/VxmcfAp0wT](https://forms.office.com/r/VxmcfAp0wT)
