

PEDAGOGY POP-UPS

CETLL is excited to be hosting a new monthly series, Pedagogy Pop-Ups! Join us to engage in peer-based discussion and support about teaching and learning at Queens College.

Pop-Up #1

Wednesday, February 19th, 2025

Discussing Generative AI with our Students

Faculty Presenter: *Lindsey Albracht*

For our first pop-up, we will explore strategies to hold meaningful conversations with our students about the evolving role of artificial intelligence in creative and academic spaces. We invite you to share your experiences, tools, questions, and concerns!
