TIME 2000: A Math-Teaching Program

TIME 2000 Program Loan Forgiveness

I, _____, hereby agree that I will be subject to, and abide by, all terms, conditions, policies and procedures established by the TIME 2000 Program Loan Forgiveness Program at Queens College of The City University of New York, directed by Professor Alice Artzt of the Department of Secondary Education and Youth Services. Such terms include, but are not limited to, my maintaining a satisfactory grade point average and annual TIME 2000 review during the period of my undergraduate work at Queens College.

The TIME 2000 Loan Forgiveness Program shall provide a loan to me up to \$1,000 per semester for school tuition that is charged to Queens College undergraduate students. The program shall be responsible for paying my tuition directly to Queens College. I understand and agree that I am legally obligated, as a condition of receiving this loan, to serve for a period of (2) two years as a mathematics teacher in a middle school or high school in the United States within five (5) years after receiving my undergraduate degree from Queens College. I further agree that I will furnish proof of such teaching service as a mathematics teacher to Professor Artzt or her designee, that I will notify Professor Artzt of any change in my home address and home telephone number, and upon request, permit Professor Artzt or her designee to verify such teaching service with the school(s) directly.

In the event that I fail to complete the program or to serve as a mathematics teacher for two years as set forth above, I agree that I will be obligated to repay the full amount of the tuition loaned after the sophomore year referenced above to the TIME 2000 Program.
