Data and Analytics in Finance Workshop

Exclusively for CUNY Students

Discover the Power of Data

Point72 and Google have partnered together to offer a unique data and analytics workshop for CUNY students. Students will:

- Learn how data drives critical decision making in the finance and investing sector.
- Learn about current industry practices and tools for data analytics.
- Q&A with industry professionals with years of experience in the field.

WHEN: April 18, 2018 @ 4-6:30pm

WHERE: Google Headquarters (111 8th Avenue)

To apply:
- CUNY students majoring in Business, Finance, Statistics, Computer Science or other STEM fields are welcome to apply.
- All interested students must apply by **Friday, April 6th**.
- Complete the application at the link: Apply Here
