

# MY IMMIGRATION SONG: AN OPEN MIC FOR NEW AMERICANS

Is there a song that reminds you of moving to the United States? Take the mic to tell your story and then sing or play a recording of your song for a live audience! We want to hear your stories of moving to New York City. You can play a recording of a song and tell a story about it, or perform the song yourself! Queens artist EunWoo Nam will lead the event. Email [digitalarchives@queenslibrary.org](mailto:digitalarchives@queenslibrary.org) to contact EunWoo for help preparing your performance.
