

# HOME MOVIE DAY 2019

Do you have a canister of 8mm film or a VHS tape in your closet that you've always wanted to watch, but don't have the equipment? Do you have family home movies you're trying to keep safe for future generations? Join us on Home Movie Day 2019 to screen your movie and get preservation advice from experts! This free event will include Home Movie Bingo (with prizes!) and other fun interactions with these rare and entertaining treasures. Film, CDs, DVDs, videotapes, hard drives, and mobile devices are all welcome! Home Movie Day is made possible with the expertise and equipment generously shared by our partners at NYU's Moving Image and Archiving and Preservation program, the NYU Student Chapter of the Association of Moving Image Archivists, and the XFR Collective.
